IN THIS WORLD, IN
ORDER TO CREATE A
BETTER FUTURE,

THERE ARE
DEFINITELY TRASHY
HUMANS THAT NEED
TO DIE.

Women,
you know,

Once they
turn thirty, they're
has-beens.

Even if you want
to get pregnant later
you can't, okay?

Chief,
you drank too
much.

Ah, isn't
there any man
who can take the
chief home?

But who
would like any
woman whose
eyes are dirty
like that.

Don't ignore an adult's words and listen well.

There's no man in this world who would like a strong-headed woman.

It would most definitely be complicated if you try to marry her.

I want to kill him.

Her true nature will show on her face.

I want to kill.

I want to
kill him!

Tsk, tsk, tsk.
look at them
behaving badly
without manners
towards an
adult.

I want
to kill!

CHIEF BAEK.

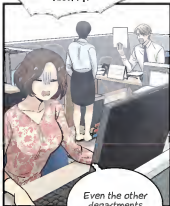

HE LOOKS OKAY
FROM THE OUTSIDE,
BUT HE'S AN EVIL
BOSS TO THE T.

How can
such a cheap
ill-mannered
bastard
exist?

**YOU'RE
CRAZY, RIGHT?!
RIGHT?!**

*Even the other
departments
will hear...*

THE CUSTOMER
SAID THEY RECEIVED
YOUR CALL!!

SO EITHER
THAT PERSON IS
LYING. OR YOU
ARE!!

I apologize. I
will find out more
about it within
the day.

There
was probably a
problem with
communication.

..As if I could
trust you.

Anyway, those
who get their faces
done don't have
any seriousness.

Plastic
monsters.

IS HE OUT
OF HIS MIND?!

Assistant
Choi, please
don't cry.

What should
we do...

Plastic
monster?? Did
he really say
that?!

Wow, this pisses
me off. Is that what
you should say to
a person?!

HE SHOULD'VE JUST
SAID SOMETHING ABOUT
COMPETENCE. WHY ON EARTH
DID HE INSULT A PERSON'S
APPEARANCE!!

Can't we post
this up on the
Internet or
report him?

No use. He only
hears insults to his
character the way
he wants to.

THAT'S RIGHT!!
I WAS INSECURE OF MY
NOSE SO I GOT PLASTIC
SURGERY!! IT'S TRUE
THAT IT'S OBVIOUS!!

BUT DOES
HE HAVE TO INSULT ME
FOR THAT?! HOW ARE MY
FACE AND SERIOUSNESS
RELATED?!

SERIOUSLY. I WANT
TO HIRE AN ASSASSIN
OR SOMETHING AND
KILL HIM!!!

EVERYONE...

by TQTE Sympathy

...CAN RELATE A
HUNDRED TIMES.

NO LOW-RANK FEMALE
WORKER HAS BEEN LEFT
UNSCATHED BY THAT
BASTARD...

I'M THE SAME.

EVEN THOUGH
I DIDN'T REALIZE
AT FIRST.

2 years ago.

Hello, I'm the
new employee
Luda Lee.

No god,
an amazing
middle-aged
man.

*To think that
this person is
my boss...*

Ah, nice to
meet you.

←
HE WAS SO HAPPY
HIS STOCKS ROSE.

He's really handsome! He's unmarried and single!

Ah, really?

Yeah, I wonder why. He seems like he would be super popular... Does he prefer living alone?

Well, it's not like marriage is a must... Besides, if you're that handsome, it's hard for others to approach you.

He looks like Jeremy Jones

I know right? And give off a killer vibe

THERE'S A REASON
TO EVERYTHING IN
THE WORLD.

Women
these days

They all need to be
born in the Joseon
Era to get their
minds straight.

These days women's rights have increased so much, but they don't know how to be thankful and are still comparing..

Yes, yes ..
You sure drank a lot.

They can't even do their jobs but all they want is profit and cry over nothing. This is reverse discrimination!

I'll take him home.

Let go! Assistant Kang, are you also a feminist?

Sob,
Assistant Kang,
thank you.

A noble
sacrifice...

No problem,
everyone, please
keep enjoying
yourself.

*A real genuine
person is a man
like Assistant
Kang.*

*He has good
manners and it'd
be nice if he was in
our department.*

I...I'll help!

Ms. Luda?
Ah, sorry but...

Thank you.

No problem.

Woah, looking
from afar I didn't
notice, but his body
is really toned.

He must
work out
a lot.

*I would like
it more if there
wasn't this human
between us.*

andy

Where
do you live,
Ms. Luda?

Ah, in
Heukseok.

Oh, it's
quite close.

I live in
Noryangjin.

Oh, my friend
lives there so we
eat there quite often...
There are a lot of
restaurants.

Ah, yes~
It's because all
the goshiwons*
are there.

1.4% DREAM ONE-ROOM APARTMENTS

By friend, do
you perhaps mean
boyfriend?

Ah, no.
Just my girl-
friend.

You don't have
a boyfriend?

Yes, I'm single.
That's why the chief
was ranting so much,
but I guess you
didn't hear.

Ah, no. I
thought he was
ranting without
even knowing.

How unexpected. I thought you would definitely have one.

Umah...

What does
this mean...

Ah, then
Ms. Luda.

If it's okay...

Blarghhhhh!!!

KYAA!!!
WHAT'S THIS!!!

Are you
all right?!

Vomit on my
skirt... Ahh!!

Stay here. I'll go
to the convenience
store and buy
wet wipes!

Thank you...

An angel...♡

I'll kill this
human. I will
kill him at
any cost.

Mina

WHERE IS
THIS---?!

WHAT DO YOU MEAN
WHERE!! IT'S THE MIDDLE
OF THE STREET!!

I HAVE TO GO
HOME~!!!

YOU HOME ON A TAXI

I HAVE TO GO!!!

ACK!!!

CHIEF!!!

Ah, really!!!
Since I can't kill
him it's so...

Yes.
Assistant Choi
The dinner party's
almost over. I came out
with Assistant Kang
to catch a taxi for
the chief.

The chief's
very drunk so
I guess you'll
have to go...
